Return Service Requested

Hi this is Digger the gopher. I live at 431 1/2 North Oakwood Rd. My job is to inform you about the goings and comings of the Wilsons. Joe and Fae have been gone a lot this year which is just fine with me. When Joe is home there is always the dread of the dreaded lawnmower destroying my digs and interrupting my peace and tranquility. The last of April Joe loaded up and took Fae, the 4 wheelers and the RV to the Kiamichi Mountains to purportedly attend the Kiamichi Men's Clinic. However, I heard they were joined by the Champagnes (Jude, Celesta, Caden & Jace). They spent a lot of time riding 4 wheelers and fly fishing in Little River in beautiful Southeast Oklahoma. They must have caught a lot of fish because I heard Fae complaining about having to cook all those fish with fins and tails still on them. The Clinic was real good this year.

The highlight of Joe and Fae's year was the dedication of the Thunderbird Chapel at Camp Gruber, Braggs, OK. This chapel was commissioned by Governor Mary Fallin (left) and framed up by WMB volunteers. Joe felt very honored to have been presented with a coin, ribbon, and commemorative plaque by Major General Myles Deering (below). All of the WMB volunteers were grateful for the opportunity to be a part of the building of

such a beautiful chapel.

On the way home from Copeland, KS, (dedication) Harold & Jane Haddock and Joe & Fae stopped by Alva, OK to check on the new chapel. Joe discovered a big problem in that the carpet on the stairs to the baptistery were very wet. After inquiring with the Warden, he found out they had baptized 14 offenders as a result of a revival service the day before. What do you advise he should do about the wet carpet? Last week Joe & Fae were at Berlin, IL as their VBS missionary. Of course, Joe got to teach the kids the "Bible Routine" and kids enjoyed the power tools. They called him Joe Bob the Builder. This is a church that WMB framed up

in 2008.

## World Mission Builders

Building for Coming Generations | Providing Permanence in Missions

### MID-YEAR UPDATE

#### SEPTEMBER 21-OCTOBER 5 PROJECT SCHEDULED: OBLONG CHILDREN'S CHRISTIAN HOME, OBLONG, ILLINOIS

Oblong Children's Christian Home has invited World Mission Builder Volunteers to build a new school building (40' x 108' 6/12 roof pitch) on their existing campus. This is a well established children's home supported by the Independent Christian Churches. Concurrently with our project, they will be building a pole barn (60' x 140') for their horse therapy program. This will be a very different and interesting project. In addition to framing they would like for us to do as much other work as possible.

Oblong is south and mostly east of Effingham, IL on IL-33. Watch for their new blue & white sign. The address is 4094 East 1050th Avenue, Oblong, IL 62449. Phone # (618)592-3633. They will provide three meals a day, RV parking will be made available either on campus or 1/2 mile away at the city park/fairgrounds. Housing is available in homes on campus. Rick Balmer has checked out this project and Rex Madlem gives it thumbs up! I think this is an opportunity to deliver a blessing. Jesus said "It is more blessed to give than to receive." Please let us know if you are interested by calling Joe at (580)747-2550 or email him at [wiljoeok@yahoo.com](mailto:wiljoeok@yahoo.com).

### Thunderbird Chapel

Governor Mary Fallin and Major General Myles Deering led in the dedication of the Thunderbird Chapel on June 2, 2012. A good delegation of WMB Volunteers were present.

Nearly 150 uniformed guardsmen attended the ceremonies. The finished chapel is absolutely stunning. More beautiful than anyone had ever dreamed. The steeple rises 58 feet into the air, equipped with a bell and chimes. The sanctuary is adorned with stained glass windows, exposed cedar beams, beautiful hardwood floors, and solid oak wood pews. Absolutely beautiful. The Governor, the General, the entire National Guard Staff were so appreciative and could hardly believe that the private sector had donated such a stunningly

beautiful chapel. Joe Wilson, project coordinator, and Glenn Short, Architect, were decorated by Major General Deering with a large commemorative coin on a ribbon around the neck and a large commemorative plaque. Hundreds of volunteers were present for the dedication and all expressed gratitude that they had the privilege to be a part of such a valued project. The men and women of the 45th National Guard will now have their own chapel which they had not had since the end of WWII. A big thank you to all who participated. The WMB Volunteers attending were Curt & Sue Wynn, Rick & Dianne Balmer, Glenn & Jolene Short, Rich & Ginger Pautsch, Ken & Nan Scott, Bob & Liz Mitchell, Harold & Jane Haddock, and Joe & Fae. (Not pictured Tom Gatewood, Andy & Audrey Ewing, & Lynn Jamison)
